AFTER SCHOOL EXPERIENCE

EXPLORE, CREATE, INNOVATE!

The Downingtown Community Education Foundation wants all children in our school district to learn, grow, and thrive. Our mission is to enhance and enrich the education of all students through programs that support innovative and forward-thinking educational opportunities like the after school Experience and the Mobile Innovation Lab. We are pleased to work with the outstanding teachers in the Downingtown Area School District to provide these programs:

Grades 1 & 2 **Robotics** Finch is a powerful robot that students learn to program using real-world programming languages such as Scratch, Snap! A great way to introduce engineering design and computer science

Grades 3-5:

Coding Learn to code through engaging curriculum that teaches teamwork, logic, math, and problem solving

Cooking up Science Experience the fun of learning science and math concepts with food

Forensics Learn deductive reasoning. Collect, preserve and analyze evidence to solve a mystery!

Keyboarding Skill-enhancement activities tailored to student's specific needs

Robotics **Rocketry**
Explore design thinking, expand programming skills & integrate STEM concepts while being creative & innovative

Stop Motion Film-Making Create your own movie – build a story board, characters and effects.

Fall (Oct 15-Dec 7) **Winter** (Jan 14-Mar 11) **Spring** (Mar 18-May 9)

Programs meet 7 times during each session. Classes are offered Mon, Tue, or Thursdays from 3:30-5:30pm. The exact schedule will depend on school closings due to holidays and/or weather related closings. Parents are responsible for picking up child at the conclusion of each class.

Register at https://campscui.active.com/orgs/DCEDF **Fall registration begins soon – space is limited!**

Fees $150 per program $75 for students eligible for DASD Free & Reduced Lunch Program

The Downingtown Community Education Foundation is committed to ensuring that every child has the opportunity to participate in The Experience. Reduced fees are offered to all children who are eligible for or participate in the district's Free and Reduced Lunch program. Additional scholarships and assistance is available upon request.
