GENERAL INFORMATION

ATTENDANCE PROCEDURE

The Pennsylvania Department of Education recognizes a limited number of reasons as **legal excuses for missing school. They include illness, quarantine, death in the immediate family, impassable roads, student court appearances and exceptionally urgent reasons that affect the child.** In the belief that attendance is closely related to good class work, and that academic performance usually suffers when students are late or absent frequently, the following procedures have been adopted with regard to excuses for vacations, trips, or special reasons.

I. EXCUSE PROCEDURES

- A. Reporting Absences - When a student is absent from school for any reason, an excuse note must be submitted within three (3) days of the absence. An excuse note signed by a parent/guardian may be submitted in person. The note should include the student's name, grade, and reason for the absence. Excuse notes may also be electronically submitted using the Attendance e-mail address for your school: DE_Attendance@dasd.org
DW_Attendance@dasd.org
- B. When returning to school from being absent, the student must submit a written excuse note to the attendance office.
- C. Any student not bringing an excuse note within three (3) days after his return to school automatically receives an illegal/unexcused absence.
- D. **Advanced Excuses:** Students requesting advance excuses are to report to the attendance office prior to homeroom period. A note from a parent/guardian is required before a student can obtain an Advance Excuse Form from the attendance office.
- E. Advance Excuse Procedures are as follows:
 1. **Educational tours and family trips may be excused by the principal if permission is sought ahead of time. Student academic records will be examined prior to any approval. Requests are to be submitted no less than three (3) days in advance.**
 2. Work missed due to approved educational tours or family trips may be made up, but the responsibility for

the completion of that work will remain with students and/or parents. Teachers will work with students and parents, but not necessarily send work for the days of excused absence. In some cases, requests for work present an unfair burden upon the teachers, who may not have future lessons completely ready.

3. Requests for students to be excused for more than one family trip during a school year will most likely not be honored.
- F. **Early Dismissal** – Every effort should be made to schedule appointments for doctor, dentist, etc., after school; however, when it becomes necessary for a student to be excused from school, the following procedures must be followed:
1. The student completes the green early dismissal form which is signed by the parent/guardian and includes the name and phone number of the doctor/dentist. Properly completed early dismissal forms can be dropped off at the attendance office in the morning before homeroom. Students can then pick up their passes over the course of the morning. No parent notes will be accepted. The student receives an early dismissal pass from the attendance office that he/she shows to the classroom teacher.
 2. College visitations shall be documented and a call to the parent will be made to verify the early dismissal. College visitations will require Official Documentation from the college/university upon return from the visit. If the documentation is not submitted to the attendance office the next day prior to first period, the day will be considered unexcused.

II. TWENTY DAY RULE

A student who has accumulated more than 20 unexcused absences in an academic year will be required to appear before the Board of Directors for a disciplinary hearing where expulsion may be imposed.

III. ABSENCE AND TRUANCY

- A. General Procedure Relating to Student Absence
 1. The Pennsylvania School Code defines three types of student absence.
 - a. Excused: Absences for clearly established mental, physical or other reasons.
 - b. Unexcused: Absence for which acceptable evidence is lacking.

- c. Illegal: Absences for which acceptable evidence is lacking and in which case the child is less than 17 years of age.
 - 2. A physician's excuse will be required for any consecutive absence of more than three (3) school days.
 - 3. Students whose absence/ tardiness is unexcused/illegal will not be permitted to make up work; however, the building administrator may give consideration to extenuating circumstances beyond the student's control.
- B. Acceptable Reasons for Excused Absences
- 1. *Observance of religious holiday or religious instruction* - Prior permission must be obtained before the holiday.
 - 2. *Trips* - Absences for trips to exhibitions, colleges, places of interest, and planned vacations considered educational in nature may be excused provided:
 - a. Prior permission is obtained from the principal before the absence begins. A maximum of three days will be approved.
 - b. The educational development of the student is not likely to be hindered seriously.
 - c. **Students will not be permitted to take mid-term or final examinations early due to trips or vacations.**
 - d. Each trip will be given individual attention by the principal.
 - 3. *Health Care* - absence for a portion of the school day may be excused for medical or dental appointments that cannot be arranged after school hours. Prior permission must be obtained in order for the absence to be excused.
 - 4. *Illness or recovery from an accident.*
 - 5. *Death or serious illness within the immediate family.*
 - 6. *Court appearance.*
- C. **Unacceptable Reasons for Absence: babysitting, missing the school bus, running errands, car trouble, shopping, etc.**
- D. Makeup Work due to Absence - It is the student's responsibility to make immediate arrangements to make-up work missed while absent. The student must make up all work within two (2) days of the absence/tardiness for classes that do not meet every day and the day after the absence/tardiness for classes, that meet every day. **Students will have the same number of days as absences to make up**

the work. Students will not be permitted to make up tests or other work missed when unexcused absences occur.

- E. Corrective Measures and Penalties
- 1. Illegal absences.
 - a. When a student has accumulated three or more days of absence without a lawful excuse, an official, written notice shall be mailed to the parent/guardian.
 - b. After the warning has been mailed, each additional time during the school year that the pupil is illegally absent, a citation will be served on the parent/guardian by the District Justice.
 - 2. Excessive Absences - The district's Home & School Visitor and building administrator(s) will review students' attendance records. Due to the signing of Act 138 by Governor Wolf in November 2016, the following changes have been implemented by DASD:
 - a. Parents of a student who has accumulated three (3) unexcused illegal absences will be notified by letter of the school's concern regarding the student's attendance. This letter will be a warning that a meeting will be required when a student accumulates six (6) unexcused illegal absences.
 - b. If a student accumulates six (6) unexcused or illegal absences, a School Attendance Improvement Plan (SAIP) meeting will be scheduled by school administration.
 - c. It is imperative that an excuse note is submitted within three (3) days of the student's return to school. If an excuse note is not submitted within that time frame or if the excuse provided is not one of the six (6) reasons for an acceptable excuse, the absence(s) will remain illegal or unexcused.

IV. LATE TO SCHOOL

- A. All students must be in their first period class promptly at 7:40 a.m. Any student reporting to school after 7:40 a.m. must report to the attendance office for admission. **Any student who does not report to attendance upon late arrival will be marked absent and receive detentions.**

- B. A late arrival is excused if the student is home ill when school begins but then feels well enough later to report to school; or, has an appointment with a doctor, dentist, orthodontist, etc. All students arriving late should have a parent note explaining the lateness, but will be required to provide an excuse note the next school day BEFORE homeroom begins.
- C. After a student reaches 8 lates (excused or unexcused), he/she must have a doctor's note for each additional late.

V. HOMELESSNESS

In 1987, Congress passed the Stewart B. McKinney Homeless Assistance Act, (subsequently renamed the McKinney-Vento Homeless Assistance Act) to aid homeless persons. The Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. On December 10, 2015, the Every Student Succeeds Act (ESSA) was enacted, amending McKinney-Vento. Categories of children who are "homeless" and entitled to the protections of the federal law are as follows:

- A. children and youths who are sharing the housing of other persons due to loss of housing, economic hardship or a similar reason; are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals;
- B. children and youths who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human beings;
- C. children and youths who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings;
- D. "migratory children" who qualify as homeless under federal law because the children are living in circumstances described in clauses (A) through (C) above. The term "migratory children" means children who are (or whose parent(s) or spouse(s) are) migratory agricultural workers, including migratory dairy workers or migratory fishermen, and who have moved from one school district to another in the preceding 36 months, in order to obtain (or accompany such parents or spouses in order to obtain) temporary or seasonal employment in agricultural or fishing work; and
- E. "Unaccompanied homeless youth" including any child who is "not in the physical custody of a parent or guardian." This includes youth who have run away from home, been thrown out of their home, been abandoned by parents or guardians, or separated from their parents for any other reason.

If you believe that you fall under one of the above mentioned categories of children who are "homeless" and entitled to the protections of the

federal law, contact your school counselor or the district's Home and School Visitor / Homeless Student Liaison.

HOMEWORK GUIDELINES

Downingtown High School is a highly competitive, comprehensive academic high school, which prepares students for further education as well as the demands of a changing and complex society. Homework is an integral part of the learning process and without it, the student's success will be limited. Participation in homework indicates that a student is willing and ready to accept the responsibility for his/her own education. Homework helps students to develop organizational skills, self-discipline, good work habits, skills for working independently, and personal responsibility. The amount of time that each student spends on homework will vary depending on the student's ability and the level of difficulty of the course content.

Types of Homework: Creative homework assignments involve synthesizing or integrating concepts and skills in new and different ways. Extension/Application homework assignments involve transferring an idea or skill to a new or different situation. Practice homework assignments involve drill or repetition of a skill or concept after it has been taught. Preparation homework assignments involve reading or study prior to the classroom lesson or test.

The completion of homework is the joint responsibility of the student, parent and teacher.

Student responsibilities:

- set homework as a top priority
- keep record of assignments
- complete homework and submit by due date
- budget time so the assignment can be completed to the best of his/her ability
- arrange all make-up assignments with teacher

Parent responsibilities:

- assist student in setting homework as a top priority
- provide an appropriate setting for the student to complete homework assignments and projects
- monitor completion of assigned work
- encourage positive attitude toward school and homework

Teacher responsibilities:

- hold students accountable by providing timely evaluation of assignments
- convey to students methods of accountability and standards for acceptance
- allow reasonable time to complete the assignment

MARKING SYSTEM

GRADE	%	GRADE POINT	GRADE POINT AVERAGE
A	90-100	4	3.6 - 4.0
B	80-89	3	2.6 - 3.5
C	70-79	2	1.6 - 2.5
D	60-69	1	.6 - 1.5
F	0-59	0	0 - .5

In order to pass a course, a student must have a minimum of three passing grades recorded on the report card and attain a minimum of a .6 average. One of these passing grades could be the average of the mid-term exam and the final exam. In those special cases where five grades are not recorded on the report card, an average of .6 or better must be earned to pass the course.

Any student who receives an "I" (incomplete) is required to remove the incomplete **within two weeks of the end of the marking period**. If the incomplete is not removed within that time, the "I" will be changed to "F". Since an incomplete grade may be established any time during a marking period, it is the responsibility of the student and teacher to make provisions to remove the "I" within the specified time period.

Student Recognition: As per Downingtown Area School District Policy 214, and the associated administrative guidelines approved on June 12, 2013, DASD will use a Latin, college-style honors system and no longer use the designations of valedictorian and salutatorian. Such a system shall recognize all students with weighted GPAs of 4.4 or higher as *summa cum laude*, all students with weighted GPAs between 4.20 and 4.39 as *magna cum laude*, and all students with weighted GPAs between 4.0 and 4.19 as *cum laude*.

MEDIA CENTER

Hours: Media Center hours are Monday through

Friday 7:15 a.m. to 2:45 p.m. Agenda book passes are required during school hours. No pass is required before and after school hours. Students may use the Media Center during their scheduled lunch period with a signed agenda book. Students must sign in at the circulation desk. If a student requires use of the Media Center outside of the hours, prior arrangements may be made with Media Center staff.

Activities: The Media Center is welcoming, but is primarily a place for academic study. Students are encouraged to remain supportive of an academic environment and limit disruptions. Students are encouraged to visit the Media Center to complete class assignments, research various databases, peruse the print collection, check out materials, browse the magazine collection, use the computers and iPads, or read for pleasure. Media Center use during free time is a privilege.

Study Halls: Upon entering the Media Center, a study hall student must present a signed agenda book at the circulation desk. Attendance will be verified. The Media Center staff reserves the right to send a student back to study hall or class if the Media Center is too crowded or if the student behaves inappropriately. Students are expected to stay in the Media Center for the full period.

Independent Research: Students may be sent from a class to the Media Center to work on a particular assignment. The student will not be admitted without his agenda book being signed by a teacher. Upon departure, the Media Center staff will sign the agenda book and indicate the time of departure.

Computer Use: Students desiring computer access must login to the network. Laptops, iPads, printers and a student copier are available for school assignments. Use of this equipment is a privilege and will be revoked if there is inappropriate use or conduct with the Media Center equipment. Class use of computers is given priority.

Computer Lab: Use of the computer lab is scheduled through the Media Center.

Internet: Online access to information and communication is encouraged. However, the use of the electronic information age brings new levels of opportunity, as well as responsibility. Downingtown Area School District requires that students using online access to the Internet have an approved Acceptable Use Policy.

Unacceptable Internet Activities:

1. Copying, saving, or redistributing copyrighted materials.
2. Revealing student's home address, phone number or other personal information.

Scheduled Classes: Class visits are welcomed but must be scheduled with the Media Center staff. The teacher and the media specialist will work collaboratively to plan the activity prior to the visit.

Faculty members are expected to directly supervise a class of students brought into the Media Center or Computer Lab.

Offenses: Theft or damage to books, furniture, computers or other Media Center materials will result in the loss of all Media Center privileges, payment for damages and possible legal action [*PA School Law].

* School Laws of Pennsylvania, Sec. 427, Act of June 14, 1961, and P.L. 3245 reads in part: Any person who shall willfully cut, mutilate, mark or otherwise injure any book, pamphlet, magazine, newspaper, manuscript, map or other property of a public school, shall be deemed to be guilty of a misdemeanor, and may be prosecuted for said offense before any competent jurisdiction.

During inclement weather, it may be necessary to either delay the opening of school or cancel school completely for the day. In cases of severe weather – snow, low temperatures, ice, etc. – the official

announcement for the closing of school or postponement of the opening will be broadcast over WCHE and KYW. Our code is 876. **(PLEASE DO NOT CALL THE SCHOOL.** The phone lines must be kept open for emergencies.) School closings will also be listed on the district's web page, www.dasd.org and phone messages will be sent from the Superintendent via School Messenger.

SCHOOL DAY

Classes are in session from 7:40 a.m. to 2:40 p.m. Students are required to be in school on time for first period class. Students may not leave school between classes or before their last class without permission from the attendance office.

SCHOOL ASSISTANCE PROGRAM (SAP)

The Downingtown Area School District has developed a Student Assistance Program, (SAP) which is available to all students. The SAP is composed of school staff that have been trained to identify issues related to alcohol, tobacco and other drugs and mental health issues that pose a barrier to school success. The primary goal of the Student Assistance Program (SAP) is to help students overcome these barriers in order that they may achieve, remain in school and advance.

The Student Assistance Specialist or Prevention Specialist is also a member of the SAP team. This professional is uniquely qualified through training and experience to work with students and families. The SAP team is comprised of a building administrator, guidance counselor, teachers and nurse. The team does not replace the guidance counselors.

The SAP team is available to all students for assistance with problems of an immediate, non- academic nature. Students, parents, teachers and staff may refer anyone to the team. Each referred student periodically meets with a team member. While these meetings remain confidential, parental consent is required and parent involvement is encouraged whenever possible.

To make a referral to the SAP team, complete a form in the counseling office, in designated areas around the school, see a SAP team member or see the Prevention Specialist or Student Assistance Specialist in the school.

VIDEO SURVEILLANCE

To assist school personnel in maintaining a safe school environment, the school building and grounds are electronically monitored at all times.

- Sources should be listed in alphabetical order using the first word of the entry. Ignore the introductory words "a", "an" and "the" at the beginning of a title when alphabetizing. (If using a computer, Cut and Paste the entries into alphabetical order.)

- The first line of each entry should always begin at the margin. If a second or third line is needed, indent each line ½".
- All entries must follow the format given. Punctuation, spacing, and capitalization must be exact.
- Always check the latest edition of the MLA handbook.

Recording Devices

To accommodate special needs as required by State and federal law, certain students in your child's classroom might have the right to audio record, or to receive teacher-made audio recordings of discussions that occur during instructional activities. These recordings could include the voice of your child. The child making the recording, or for whom the recording is made, will use the recording solely to support his or her ability to access and retain educational information. The recording will be destroyed when it is no longer necessary for that purpose. Recordings shall not be maintained by, or otherwise considered educational records of, the District for any purpose. The use of audio recordings in the classroom will be limited to students with disabilities who are unable, as a result of their disabilities, to record information independently in written form when such information is required to aid memory or learning and when audio recording is identified as an adaptation or accommodation on the individualized educational programs ("IEPs") or Section 504 accommodation plans of such students. The audio recording device shall only be used when necessary to capture spoken or written information in the classroom that nondisabled peers would be expected to record in written form. The use of audio recordings shall be for the sole use of the student for the educational use stated in his or her IEP and shall not be shared with any third party. All recordings are the property of the Downingtown Area School District, and the use of such recordings for any purpose or in any manner other than as described in these guidelines is strictly prohibited. All recordings will be erased or destroyed when no longer necessary for educational purposes and shall not be maintained as, or otherwise considered, educational records of the District for any purpose.

Head Lice Guidelines

The school nurses in the Downingtown Area School District will follow the guidelines of the American Academy of Pediatrics, the National Association of School Nurses, and the Centers for Disease Control concerning the treatment and containment of head lice by implementing the following procedures in the event that a case of head lice has been confirmed for a student.

Guidelines:

1. Upon report or discovery of live head lice, the School Nurse will privately check the affected child's head for live head lice.
2. If live head lice are found, the School Nurse will call the child's parent and request that they take their child home.
3. The School Nurse will advise on evidence-based treatment options and/or refer them for to their health care provider.
4. The affected child may return to school after treatment of live head lice, and will report to the school nurse to be approved for school attendance.
5. Children may not remain in school if a significant number of live head lice are found, but they are permitted to remain in school if nits (head lice eggs) are found.
6. If the student has siblings in the school district, the School Nurse will check the siblings for any live head lice.
7. At the elementary level, a letter will be sent home to parents in the child's homeroom alerting them that a case of head lice was discovered and advising them to check for head lice and to treat if live head lice are discovered.
8. Instructions in the letter should ask that if child is treated for head lice at home, the parent should contact the school nurse. The school nurse will then check that student's head upon return and follow the re-check policy.
9. The School Nurse will re-check the affected child's head a week after treatment and follow the aforementioned guidelines if live head lice are found.
