Good Morning Narwhals!

Today is Friday, February 8, 2019, and it is B Day on your schedule. Did you know that on this day in 1978, a severe blizzard in New England finally ends and the region begins to dig out from under several feet of snow? Some areas received as many as 55 inches of snow in just 3 days! Wow, so glad we're not digging out of 55 inches of snow!

Band Lessons today are:

Attention Mythology Club: we will not meet next Tuesday February 12th. We will meet again on February 19th.

Come join the Downingtown East High School, Nationally ranked cheerleaders, for a one day cheer clinic on Saturday, March 9th from 9-3. No experience is necessary- all skills and levels are welcome.
