Principal's Message

By: Joe E.

As the editor of the January Narwhal Newspaper, I have made this article to show what Marsh Creek 6th Grade Center principal, Mr. Thomas Mulvey, would like to address to our pod pride students and staff. Here is what he said:

“Be kind.”

Dear, Wise Owls

Hi, I have been super busy lately and have trouble organizing my busy schedule, do you have any ideas?

From, Mrs. Barkly

Dear, Mrs. Barkly

I'm not sure I can completely help (On the account that I'm not a very organized person) but I know it's good to plan ahead. Also, make sure you laminate anything important or something that you need to keep the whole year if you can't laminate papers then put them in some cheap sheet protectors.

Dear Wise owls,

Thanks for the advice! It was very helpful.

Dear The Music Program,

I give you guys this letter to represent my appreciation to your hard work into putting our learning into the study of music and how to play instruments of every kind. I thank you for our learning experience into knowing that music is not just a skill, it is an effort in our knowledge and spark our minds to the wonders of the art in music. Thank you very much, and I will miss you all in our change to netherworld middle schools.

Sincerely, Anonymous Student.

Technology

Quantum levitation works by locking a magnetic object that is -180 Celsius scientists use the properties of quantum physics to levitate an object (specifically, a superconductor) over a magnetic source (specifically a quantum levitation track designed for this purpose). The object gets locked because the superconductor is pushing away the object, but gravity is pulling it away.

EAGLES NO LONGER IN THE PLAYOFFS

By Jordan D

It's been a sad month for the Eagles. Every winning streak must come to an end, though this was the worst time for this to happen. Eagles were definitely not favored to win, but at first, we had a chance, then we didn't... If Alshon Jeffery caught that ball we would've had a chance, but he didn't and now Eagles are out of the playoffs.

Food

The food of the month winner is Mr. Turley's homemade chili! Mr. Turley is the engineering teacher. Congratulations Mr. Turley! If you guys want to try out this wOnDeRfUL recipe, check it out. It's at the bottom.
