

**Downingtown Area School District
TECHNOLOGY DEPARTMENT
Connecting iPads to Internet at Home**

1. ***Join your home wireless network***
2. ***Launch Safari (If you open an app other than safari you may not be able to login to lightspeed.)***
3. ***Use a new tab to navigate to a website – ex. www.google.com***
4. ***When prompted enter the following:
Student Username: 26flastname (first initial, last name)
Password: mcXXX06! (XXX - Lst 3 digits of Student ID.)
Be sure the domain is set to Student***

6. ***Now you may use the other apps on the ipad such as Schoology.***
