Principal Mulvey posted a school update to Marsh Creek Sixth Grade Center: April 1st, 2020

Happy April Fool's Day Narwhals,

Being in the situation that we happen to find ourselves, I am not even going to attempt a joke! But don't let that stop YOU!

Just a Schoology message, on this F day: Schoology is used by thousands of school districts across the country, where there is an incredible amount of remote learning going on. It will be slow and glitchy, especially later in the morning when all of the other time zones start to log in. There are times when it is relatively quick, like now at 8 a.m., and there are times when it will be slower.

Schoology is aware and taking time to address it. That said, all of your teachers' courses are up and running with activities.

Have a great day - the sun is shining!

Mr. M.
