Subject: UPDATE: PA Governor’s Travel and Mask Wearing Guidelines
Date: July 20, 2020

The purpose of this memo is to share some important updates with regard to the current COVID-19 pandemic, our summer workouts, and the latest mandates by the governor and the Department of Health.

Voluntary Summer Workouts
Please check our website for a current list of teams that are training during the summer voluntary session. If you elect to attend these workouts, you must contact the head coach prior to attending any scheduled workouts. All attendees are required to complete a one-time COVID-19 educational session, in addition to a pre-workout screening prior to each training session. All families are required to monitor their student-athlete and other family members for potential signs and symptoms of COVID-19. If you are experiencing any signs or symptoms, you are not permitted to attend workouts; you are expected to follow the guidelines in our Athletics Health and Safety Plan, as well as the recommendations from the Department of Health (DOH) and Center for Disease and Control (CDC).

Governors Travel Guidance
As of July 9 and until further notice, in accordance with Governor Wolf’s travel order, anyone that has visited the following states, (please click HERE to view link) is recommended to follow the governor’s guidance, as well as all current CDC recommendations. If you plan to travel, please refer to this link often, as there is a high probability that additional states will be added.

Department of Health and Governor’s Mask Order: Link to Mask Order

Does the order apply to athletes and sports activities?

Yes. Everyone must wear a face covering, such as a mask, unless they fall under an exception listed in Section 3 of the Order. Coaches, athletes and spectators must wear face coverings unless they are outdoors and can consistently maintain social distancing of at least 6 feet. Athletes are not required to wear face coverings while actively engaged in workouts and competition that prevent the wearing of face coverings, but must wear face coverings when on the sidelines, in the dugout, etc. and anytime 6 feet of social distancing is not possible.

As always, especially throughout this pandemic, thank you for your understanding and support.

Best,

Corey Sigle
