BCES This fall we are combining two learning support teachers, the other LS teacher is not in a full sized room.

BCES ACP shares a room with half day K.

BCES ESL, DEEP and the tv studio are shared in one small room, not a full sized classroom.

BCES The nurse's room is very small.

BCES Band and Orchestra have been on the stage for a few years now.

BCES Speech is a tiny room and OT/PT share a very small space as well.

BCES Our school psychologist and itinerant social skills teacher share a small space.

BCES BC does not have a conference room or LGRoom.

BWES Please note that gifted teacher and learning support teacher share one learning support room, and 2 learning support teachers share the other learning support room. 2 literacy specialists share the IST room.

BWES Music is on a cart; OT/PT/SP are in one closet; ESL is in a closet. Because we don't have any available teaching rooms, we have constructed a wall in the library to make a space for ACP, so library is now very small.

BWES During the most recent spot-redistricting (when we sent additional kids to SM), facilities determined that our building capacity was 540 students. We are currently above that number with 17-18 enrollment.

EWES Music classrooms are smaller than standard classrooms

EWES 1 LS classroom is old computer room

EWES Gifted support in library workroom

EWES OTPT is in 3rd floor landing

EWES IST use offices

EWES ESL is in a converted closet

EWES Speech is in a converted closet

LES I did not fill in ESL, LS, ES, DEEP, Media or IST b/c those rooms are technically closets/storage spaces that could not be used as regular education classrooms.

LES I am currently 9 students away from adding another 4<sup>th</sup> grade.

PVES ACP is currently utilizing one of the designated Kindergarten classrooms

PVES We are 4 students away from reinstating one first grade classroom

PVES We just downsized one LSC so we are now utilizing this classroom for IST

PVES The gifted classroom is not located in a regular classroom

PVES Two MDS classrooms are in a regular ed classrooms and cannot be relocated for the next two years according to special ed regulations they are indicated under life skills on the chart

PVES The computer lab now be utilized for Innovation Time

SCES I have 3 LS classrooms. One will be in a half classroom.

SCES Lit specialists are each in a quarter sized room. My OT will need to share with one of the Lit Specialists and the other Lit Specialist shares with the Literacy Aide. (Really tight quarters!)

SCES Band and Orchestra will now be on the stage which is in the cafeteria.

SCES Music will be held in the MPR (other half of the café), except during lunch when he will need to be on a cart in the classrooms.

SCES The music teacher, ESL and Technology person all share a tiny office off of the MP.

SCES ACP is in my old computer lab, which is a nice space. We have a large enrollment.

SCES Gifted is in what used to be a copy room.

SCES We have a small area designated as a book room that also now holds the downstairs copy machine and two printers.

SMES DEEP and ESL will share a room that is why it is noted as .5 for each.

SMES The computer lab is utilized for Innovation Time.

SMES Two students away from adding another 5th grade class. This would then move DEEP and ESL to a bump out room. (Bump out rooms are not large enough for classrooms.)

SMES EI is an a room that is smaller than a regular size classroom.

SMES Speech, OT, PT, Literacy Specialists, Guidance Counselor use the bump out rooms throughout the building.

WB Lit specialists, gifted, speech/OT/PT all in quarter-sized rooms

WB One of our LS classes is a half size room

WB ESL will be in a converted library storage room

WB Media room will also be the "tech office" for our tech person (quarter-sized)

WB Band and strings are on the stage in the MPR
