

Dear Parents and Guardians,

Your child has expressed an interest in joining Marsh Creek's Math Counts Club. Math Counts is a national competition that helps build confidence and improve attitudes about math and problem solving. Students will also be able to enhance their love of math. Finally, participation in this club will give students practice and experience in the competition format. The final competition usually takes place in March (date and location TBD).

Math Counts Club will meet every **Monday** from **3:30-4:30PM** in Room B265 beginning September 9th. Students must make arrangements with a parent or guardian to be picked up promptly at 4:30PM or must have a bus pass to ride the activity bus.

Depending on the number of students who join the club, not all students may be able to compete in the competition. However, they are all welcome to attend the meetings and practices.

Please sign and return the bottom portion of this letter to Room B265 (Ms. Rumpf's room) Please let me know if you have any questions.

Ms. Rumpf (lrumpf@dasd.org)

My child, _____, has permission to attend Marsh Creek Math Counts.

_____ My child will have a ride home with parent/guardian at 4:30PM each Monday.

**You must pick your child up promptly at 4:30PM. If this is not possible, arrangements must be made to ride the activity bus or we encourage your child to join a different after school activity.

_____ My child will fill out paperwork for a bus pass and ride the activity bus each Monday.
