

## Downingtown Area School District

eSchoolPlus  
Home Access Center: Course Request

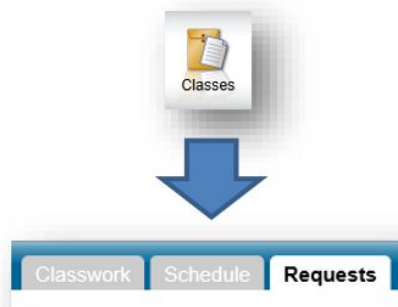

A screenshot of a login form titled 'Login'. It contains the text 'Please enter your account information for Home Access Center.' followed by two input fields: 'User Name:' and 'Password:'. Below the password field is a link that says 'Forgot My Username or Password'. A 'Login' button is located at the bottom right of the form.

Begin by logging into Home Access Center (HAC).

<http://hac.dasd.org/HomeAccess/>

### Tips for Logging In:

1. All students have a shortcut on their iPads to access HAC.
2. All students should use the following username and password convention. Please note that this is the same as their district login information and can be found on their Digital Toolboxes.  
Username: 25flastname (f=first initial)  
Password: mcXXXo6! (xxx - last three digits of the student's ID number)
3. In the case that a student cannot login successful on their iPad, please try to login on a desktop or laptop.

Click Classes.

Then choose the "Requests" tab.

Within the “Requests” tab, you will notice the following:

1. Physical Education and Health have been PRELOADED. These are REQUIRED courses that all students MUST take.
2. Students MUST choose one course from the World Language “Grouping”.
3. There are several other “Groupings”, including the following:

Music	Technology Education	Family and Consumer Science	Art
General Music Chorus Vocal Ensemble Band Strings	Science of Technology Energy & Environment	7th Grade FCS	7th Grade Art 3D Art iArt

Each of the course offerings within these “Groupings” meets 2 times per cycle. Students are required to select 3 more courses from these groupings. Please note the following exceptions when selecting these classes.

1. Students ARE able to select up to TWO courses from the MUSIC grouping.
2. Students MAY NOT select more than 1 course from within each of the other groupings.  
Example: If a student chooses iArt, they may NOT choose 7th Grade Art or 3D Art

**Exception: Support Classes**

If you require support classes, such as Learning Support or Reading, those classes will already be PRELOADED for you. In this case, you may already have a full schedule and may only be able to select ONE or TWO courses from the groupings listed above.
