

DOWNTOWN COMMUNITY EDUCATION FOUNDATION
to support, enrich, and inspire

...Staff Pledge Form

DID YOU KNOW?

- DCEF exists to support the DASD students, teachers and families. The DOWNTOWN COMMUNITY Education Foundation is dedicated to inspiring all children to learn, grow, and thrive by enhancing and enriching their learning experiences to create a better tomorrow. We believe that strong public schools create thriving, vibrant communities.
- Over \$165,000 has been awarded to teachers (K-12) for Teacher Grants to support innovative programs that emphasize new approaches to teaching and that enrich and expand existing curriculum. We are always looking for the next big idea to support! www.dcedf.org/grants
- Nearly 10% of the students who attend DCEF's after school and summer "Experience" enrichment programs receive scholarships and financial assistance to enable them to participate. No child is turned away for inability to pay. We are always looking for teachers to teach these programs. Contact rhamilton@dcedf.org for more info
- 100% of your contribution goes directly to Teacher Grants, Program Scholarships, and to creating resources for DASD and the community like the Mobile Innovation Lab and the Narwhal Learning Center.
- A contribution of \$5 or \$10 per pay can have a HUGE impact!

Name: _____ Email: _____

School: _____ Dept/Grade: _____

Home Address: _____

Payroll Deduction \$_____ to be deducted per pay

By signing this form, I authorize the employer to deduct the amount elected above from my paycheck. The Payroll Office must be notified in writing to stop this deduction.

Signature: _____ Date: _____
