Murphy Law Firm, located at 320 N. High St. in West Chester is currently preparing applications for DACA and offering **FREE** consultations to students to help determine if they are eligible.

### DACA Eligibility Guidelines

You are eligible to file for DACA if:

- You were under the age of 31 as of June 15, 2012;
- You came to the United States before turning 16 years of age;
- You have resided continuously in the United States since June 15, 2007;
- You had no lawful status on June 15, 2012;
- You are currently in school, have graduated or received a certificate of completion from high school, have received a general education development (GED) certificate, or are an honorably discharged veteran of the Coast Guard or Armed Forces of the United States;
- You have not been convicted of a felony, significant misdemeanor, or three or more other misdemeanors, and do not otherwise pose a threat to national security or public safety.

### Criminal Convictions

If you have had encounters with the police, arrests, or have been charged with a crime, an immigration attorney can help determine whether your ability to apply for DACA will be affected. Schedule a consultation to discuss all your legal issues and whether you are eligible for deferred action.

### Age Guidelines

You must be at least 15 years or older to request DACA, unless you are currently in removal proceedings or have a final removal or voluntary departure order.

If you are in removal proceedings, have a final removal order, or have a voluntary departure order, and are not in immigration detention, you may be younger than 15 years old at the time you submit your request.
