PVSA Voluntary Donation 2021

Every family at Pickering Valley Elementary School is part of the Pickering Valley School Association (PVSA). PVSA is an all-volunteer organization that depends on donations of both resources and time to be successful. Towards the goal of enhancing the social and academic experiences of our children inside and outside the classroom, PVSA sponsors a wide variety of activities and events, such as:

- Assemblies
- Yearbook
- Talent show
- Invention convention
- Back to school social
- Teacher/Staff appreciation
- Fall Ball
- Bingo night
- Spring fair
- March madness
- Scholastic Book fair
- Art show

PVSA focuses on FUN rather than fundraising!
We ask that each family make a voluntary donation of at least $30 per child. Rather than participate in fundraisers throughout the year, these donations allow us to provide many activities and enrichment opportunities for the entire Pickering Valley community.

PVSA is a registered 501(c)(3) non-profit organization, so all donations are tax-deductible. Please contact Kalpana Praveen Kumar, PVSA Treasurer (PVSTreasurer@gmail.com), with any questions.

Please return this slip to school with your donation by Friday, September 24th
OR contribute online through PayPal at http://tinyurl.com/givetopvsa
(You do not need a PayPal account to donate online.)
