Good afternoon Bradford Heights,

In anticipation of the upcoming holidays, our administrative team would like to remind you of Pennsylvania's updated travel guidelines.

Any student traveling out of state must adhere to the following [PA Department of Health quarantine requirements](#):

- Anyone who visits from another state must have a **negative COVID-19 test within 72 hours prior to entering** the commonwealth.
- If someone cannot get a test or chooses not to test, they must **quarantine for 14 days** upon arrival in Pennsylvania.
- Pennsylvanians visiting other states are required to have a **negative COVID-19 test within 72 hours prior to their return** to the commonwealth, or to **quarantine for 14 days** upon return to Pennsylvania. This does NOT apply to people who commute to and from another state for work or medical treatment.
- This order took effect at 12:01 a.m. **Friday, November 20**.
- View the [Order of the Secretary of the Pennsylvania Department of Health for Mitigation Relating to Travel](#).

If your child does travel out of state, they may attend school via Zoom from home during their quarantine period. Please inform me if your child will be doing so.

We wish you and your family a very happy and relaxing holiday break, and thank you for doing your part to keep our school community safe.
