Dear Families,

Welcome to the 2021-22 school year! My name is Ms. Petchel and I am very excited to be your child’s Second grade teacher this year! Over the past few years I’ve enjoyed getting to know so many wonderful students and families. I am eager to have another great year here at Springton Manor working with such fantastic second graders and their families!

Second grade is such a fun, exciting and important time as students continue on their educational journey! I am honored to be working alongside such a wonderful team of teachers, while having the opportunity to provide your children with a welcoming learning community that fosters meaningful learning experiences. My goal is to ensure that every student is set up for success, feels encouraged to explore, ask questions and grow to become active learners and critical thinkers!

When I am not in the classroom, you can almost always find me playing soccer, horseback riding, snowboarding or walking my American Bulldog/Dalmatian mix, Abby! If you still can’t find me, I am most likely working with students at different libraries, entertaining my love for reading and history! I am truly looking forward to meeting all of our students and families for Back to School Night! We will go over reminders for the school year, classroom information and everything your child may need for a successful school year! Please never hesitate to call or email me with any questions you may have! I look forward to meeting all our soon-to-be Second Graders at SM!

Sincerely,

Ms. Petchel
