Welcome to 2nd Grade!

Hello! I hope you are having a fabulous summer with your family and friends. I’m looking forward to hearing all about your summer and can’t wait to meet you! 😊😊😊

We are going to have an exciting year and will learn so much together! We’ll become better readers, writers, mathematicians, and scientists. I enjoy writing stories and poetry. I LOVE Math, as well!

I would appreciate if you would share a picture of you and your family/pets to hang in our classroom. Did you go somewhere fun? Perhaps you went to the beach, amusement park, or played outside in the backyard. Bring in a picture (or two) to share with us and keep up over your cubby.

The first day of school will be here before you know it. Rest up and I will see you soon! Here is some helpful school supply information for your families.

*Please send in headphones (easier to use than earbuds) for iPads in a baggie labeled with name.
*Please make sure that your child’s name is on everything he/she brings to school each day. Please have your child’s pencil box filled with no more than 4 sharpened pencils, crayons, markers, colored pencils, scissors and a glue stick on the first day— unwrapped and ready to use (This is a BIG help!) All of the additional supplies—including extra pencils, glue sticks, black expo markers, etc... can be sent in a gallon bag labeled with your child’s name. We will pull out their supplies as needed throughout the year.😊

Love and smiles,

Mrs. Peterson 😊
