Counseling

Family Connection from Naviance is a Web-based service designed for students, parents and counselors. It is a comprehensive website that you can use to help make decisions about courses, colleges and careers. Family Connection provides up-to-date information that is specific to our students at Downingtown. It allows us to share information with you about upcoming meetings, news and events, as well as other Web resources for college and career information.

Naviance provides many uses for families throughout the college search process. It can serve as a direct link for students to college websites and applications and houses information personal to the student such as GPA and test scores. This allows the student to compare their data with that of past Downingtown graduates who have applied to the same colleges and universities.

Students are now able to log in to Family Connection in Naviance using the following link:

http://connection.naviance.com/downingtownhse
