GENERAL INFORMATION

ATTENDANCE PROCEDURE

The Pennsylvania Department of Education recognizes a limited number of reasons as legal excuses for missing school. They include illness, quarantine, death in the immediate family, impassable roads, student court appearances and exceptionally urgent reasons that affect the child. In the belief that attendance is closely related to good class work, and that academic performance usually suffers when students are late or absent frequently, the following procedures have been adopted with regard to excuses for vacations, trips, or special reasons.

I. EXCUSE PROCEDURES

- A. Reporting Absences - When a student is absent from school for any reason, an excuse note must be submitted within three (3) days of the absence. An excuse note signed by a parent/guardian may be submitted in person. The note should include the student's name, grade, and reason for the absence. Excuse notes may also be electronically submitted using the Attendance e-mail address for your school: ST_Attendance@dasd.org
- B. When returning to school from being absent, the student must submit a written excuse to the attendance office.
- C. Any student not bringing an excuse note within three (3) days after his return to school automatically receives an illegal/ unexcused absence.
- D. **Advanced Excuses:** Students re- questing advance excuses are to report to the attendance office prior to homeroom period. A note from a parent/guardian is required before a student can obtain an Advance Excuse Form from the attendance office.
- E. Advance Excuse Procedures are as follows:
 - 1. **Educational tours and family trips may be excused by the principal if permission is sought ahead of time. Student academic records will be examined prior to any approval. Requests are to be submitted no less than three (3) days in advance.**
 - 2. Work missed due to approved educational tours or family trips may be made up, but the responsibility for the completion of that work will remain with students and/or parents. Teachers will work with students and parents, but not necessarily send work for the days of excused absence. In some cases, requests for work present an unfair burden upon the teachers, who may not have future lessons completely ready.
 - 3. Requests for students to be excused for more than one family trip during a school year will most likely not be honored.
- F. **Early Dismissal** – Every effort should be made to schedule appointments for doctor, dentist, etc., after school; however, when it becomes necessary for a student to be excused from school, the following procedures must be followed:
 - 1. The student completes the green early dismissal form which is signed by the parent/guardian and includes the name and phone number of the doctor/dentist. Properly completed Early Dismissal forms can be dropped off at the attendance counter in the morning before homeroom. Students can then pick up their passes over the course of the morning. No parent notes will be accepted. The student receives an early dismissal pass from the attendance office which he/she shows to the classroom teacher.
 - 2. College visitations shall be documented and a call to the parent will be made to verify the early dismissal. College visitations will require Official Documentation from the college/university upon return from the visit. If the documentation is not submitted to the attendance office the next day prior to first period, the day will be considered unexcused.

II. TWENTY DAY RULE

A student who has accumulated more than 20 unexcused absences in an academic year will be required to appear before the Board of Directors for a disciplinary hearing where expulsion may be imposed.

III. ABSENCE AND TRUANCY

A. General Procedure Relating to Student Absence

1. The Pennsylvania School Code defines three types of student absence.
 - a. Excused: Absences for clearly established mental, physical or other reasons.
 - b. Unexcused: Absences for which acceptable evidence is lacking. Only students who have reached the age of 17 may be considered to have unexcused absences.
 - c. Illegal: Absences for which acceptable evidence is lacking and in which case the child is less than 17 years of age.
2. A physician's excuse will be required for any consecutive absence of more than three (3) school days.
3. Students whose absence/ tardiness is unexcused/illegal will not be permitted to make up work; however, the building administrator may give consideration to extenuating circumstances beyond the student's control.

B. Acceptable Reasons for Excused Absences

1. Observance of religious holiday or religious instruction - Prior permission must be obtained before the holiday.
2. Trips - Absences for trips to exhibitions, colleges, places of interest, and planned vacations considered educational in nature may be excused provided:
 - a. Prior permission is obtained from the principal before the absence begins. A maximum of three days will be approved.
 - b. The educational development of the student is not likely to be hindered seriously.
 - c. Students will not be permitted to take mid-term or final examinations early due to trips or vacations.
 - d. Each trip will be given individual attention by the principal.
3. Health Care - absence for a portion of the school day may be excused for medical or dental appointments, which cannot be arranged after school hours. Prior permission must be obtained in order for the absence to be excused.
4. Illness or recovery from an accident.
5. Death or serious illness in the immediate family.
6. Court appearance.

C. Unacceptable Reasons for Absence: babysitting, missing the school bus, running errands, car trouble, shopping, etc.

- D. Makeup Work due to Absence - It is the student's responsibility to make immediate arrangements to make-up work missed while absent. The student must make up all work within two (2) days of the absence/tardiness for classes, which do not meet every day, the day after the absence/tardiness for classes, which meet every day. Students will have the same number of days as absences to make up the work. **Students will not be permitted to make up tests or other work missed when unexcused absences occur.**

E. Corrective Measures and Penalties

1. Illegal absences.
 - a. When a student has accumulated three or more days of absence without a lawful excuse, an official written notice shall be mailed to the parents or guardians.
 - b. After the warning has been mailed, each additional time during the school year that the pupil is illegally absent, a citation will be served on the parent/ guardian by the District Justice.
2. Excessive Absences - The district's Home & School Visitor and building

administrator(s) will review students' attendance records. Due to the signing of Act 138 by Governor Wolf in November 2016, the following changes have been implemented by DASD:

- a. Parents of a student who has accumulated 3 unexcused or illegal absences will be notified by letter of the school's concern regarding the student's attendance. This letter will be a warning that a meeting will be required when a student accumulates 6 unexcused or illegal absences.
- b. If a student accumulates 6 unexcused or illegal absences, a School Attendance Improvement Plan (SAIP) meeting will be scheduled by school administration.
- c. It is imperative that an excuse note is submitted within 3 days of the student's return to school. If an excuse note is not submitted within that time frame or if an excuse is provided that is not one of the 8 reasons for an acceptable excuse, the absence(s) will remain illegal or unexcused.

IV. LATE TO SCHOOL

- A. All students must be in their first period promptly at 7:40 a.m. Any student reporting to school after 7:40 a.m. must report to the attendance office for admission. Any student who does not report to attendance upon late arrival will be marked absent and receive detentions.
- B. A late arrival is excused if the student is ill when school begins and then feels better and wishes to still come to school; or, has an appointment with a doctor, dentist, orthodontist, etc. All students arriving late should have a parent note explaining the lateness, but will be required to provide an excuse note the next school day BEFORE homeroom begins.
- C. After a student reaches 8 lates (excused or unexcused), he/she must have a doctor's note for each additional late.

V. ON THE DATE OF ABSENCE, A PARENT OR GUARDIAN SHOULD CALL THE SCHOOL BETWEEN 7:00 A.M. AND 7:45 A.M TO REPORT THE REASON FOR ABSENCE.

VI. PERSONAL APPOINTMENTS

*****NOTE***** Prior notification of personal appointments (doctor, dental, etc.) conflicting with the normal bell schedule **MUST** be received from the parent/guardian. Forms are provided by the attendance office and require signature of the parent/guardian.

VII. LEAVING SCHOOL BUILDING/ GROUNDS WILL RESULT IN DISCIPLINARY ACTION.

VIII. CLASS LATES

IX. POLICY ON ATTENDANCE PRIOR TO A SCHOOL ACTIVITY OR ATHLETIC EVENT

- B. A student/athlete may not participate in or attend any school activity on a day the student has an absence.

In those special cases where five grades are not recorded on the report card, an average of .6 or better must be earned to pass the course.

Any student who receives an "I" (incomplete) is required to remove the incomplete within two weeks of the end of the marking period. If the incomplete is not removed within that time, the "I" will be changed to "F". Since an incomplete grade may be established any time during a marking period, it is the responsibility of the student and teacher to make provisions to remove the "I" within the specified time period.

Student Recognition: As per Downingtown Area School District Policy 214, and the associated administrative guidelines approved on June 12, 2013, DASD will use a Latin, college-style honors system and no longer use the designations of valedictorian and salutatorian. Such a system shall recognize all students with weighted GPAs of 4.4 or higher as summa cum laude, all students with weighted GPAs between 4.20 and 4.39 as magna cum laude, and all students with weighted GPAs between 4.0 and 4.19 as cum laude. SCHOOL ASSISTANCE PROGRAM (SAP)

The Downingtown Area School District has developed a Student Assistance Program, (SAP) which is available to all students. The SAP is composed of school staff that have been trained to identify issues related to alcohol, tobacco and other drugs and mental health issues that pose a barrier to school success. The primary goal of the Student Assistance Program (SAP) is to help students overcome these barriers in order that they may achieve, remain in school and advance.

The Student Assistance Specialist or Prevention Specialist is also a member of the SAP team. This professional is uniquely qualified through training and experience to work with students and families. The SAP team is comprised of a building administrator, guidance counselor, teachers and nurse. The teams do not replace the guidance counselors.

The SAP team is available to all students for assistance with problems of an immediate, non- academic nature. Students, parents, teachers, and staff may refer anyone to the team. Each referred student periodically meets with a team member. While these meetings remain confidential, parental consent is required and parent involvement is encouraged whenever possible.

To make a referral to the SAP team, complete a form in the counseling office, in designated areas around the school, see a SAP team member or see the Prevention Specialist or Student Assistance Specialist in the school.

RECORDING DEVICES

To accommodate special needs as required by State and federal law, certain students in your child's classroom might have the right to audio record, or to receive teacher- made audio recordings of discussions that occur during instructional activities. These recordings could include the voice of your child. The child making the recording or for whom the recording is made will use the recording solely to support his or her ability to access and retain educational information. The recording will be destroyed when it is no longer necessary for that purpose. Recordings shall not be maintained by or otherwise considered educational records of the District for any purpose. The use of audio recordings in the classroom will be limited to students with disabilities who are unable, as a result of their disabilities, to record information independently in written form when such information is required to aid memory or learning and when audio recording is identified as an adaptation or accommodation on the individualized educational programs ("IEPs") or Section 504 accommodation plans of such students. The audio recording device shall only be used when necessary to capture spoken or written

information in the classroom that nondisabled peers would be expected to record in written form. The use of audio recordings shall be for the sole use of the student for the educational use stated in his or her IEP and shall not be shared with any third party. All recordings are the property of the Downingtown Area School District, and the use of such recordings for any purpose or in any manner other than as described in these guidelines is strictly prohibited. All recordings will be erased or destroyed when no longer necessary for educational purposes and shall not be maintained as, or otherwise considered, educational records of the District for any purpose.

VIDEO SURVEILLANCE

To assist school personnel in maintaining a safe school environment, the school building and grounds are electronically monitored at all times.

HEAD LICE GUIDELINES

The school nurses in the Downingtown Area School District will follow the guidelines of the American Academy of Pediatrics, the National Association of School Nurses, and the Centers for Disease Control concerning the treatment and containment of head lice by implementing the following procedures in the event that a confirmed case of head lice for a student.

Guidelines:

1. Upon report or discovery of live head lice, the School Nurse will privately check the affected child's head for live head lice.
2. If live head lice are found, the School Nurse will call the child's parent and request that they take their child home.
3. The School Nurse will advise on evidence-based treatment options and/or refer them for to their health care provider.
4. The affected child may return to school after treatment of live head lice, and will report to the school nurse to be approved for school attendance.
5. Children may not remain in school if a significant number of live head lice are found, but they are permitted to remain in school if nits (head lice eggs) are found.
6. If the student has siblings in the school district, the School Nurse will check the siblings for any live head lice.
7. At the elementary level, a letter will be sent home to parents in the child's homeroom alerting them that a case of head lice was discovered and advising them to check for head lice and to treat if live lice are discovered.
8. Instructions in the letter should ask that if child is treated for head lice at home, the parent should contact the school nurse. The school nurse will then check that student's head upon return and follow the recheck policy.
9. The School Nurse will re-check the affected child's head a week after treatment and follow the aforementioned guidelines if live head lice are found.

HOMELESSNESS

In 1987, Congress passed the Stewart B. McKinney Homeless Assistance Act, (subsequently renamed the McKinney-Vento Homeless Assistance Act) to aid homeless persons. The Act defines the term "homeless children and youths" as individuals who lack a fixed, regular, and adequate nighttime residence. On December 10, 2015, the Every Student Succeeds Act (ESSA) was enacted, amending McKinney-Vento. Categories of children who are "homeless" and entitled to the protections of the federal law are as follows:

- A. children and youths who are sharing the housing of other persons due to loss of housing, economic hardship or a similar reason; are living in motels, hotels, trailer parks or camping grounds due to the lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals;
- B. children and youths who have a primary nighttime residence that is a public or private place not designed for or ordinarily used as a regular sleeping accommodation for human

beings;

- C. children and youths who are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations, or similar settings;
- D. "migratory children" who qualify as homeless under federal law because the children are living in circumstances described in clauses (A) through (C) above. The term "migratory children" means children who are (or whose parent(s) or spouse(s) are) migratory agricultural workers, including migratory dairy workers or migratory fishermen, and who have moved from one school district to another in the preceding 36 months, in order to obtain (or accompany such parents or spouses in order to obtain) temporary or seasonal employment in agricultural or fishing work; and
- E. "Unaccompanied homeless youth" including any child who is "not in the physical custody of a parent or guardian." This includes youth who have run away from home, been thrown out of their home, been abandoned by parents or guardians, or separated from their parents for any other reason.

If you believe that you fall under one of the above mentioned categories of children who are "homeless" and entitled to the protections of the federal law, contact your school counselor or the district's Home and School Visitor / Homeless Student Liaison.
