

Hello Narwhals!

Today is Monday, March 20th. It is A Day on your schedule.

The Orchestra lesson for today is Cello, 6th period.

The Band lessons for today are Group 10: 3rd period, Group 11: 6th period, Group 12: 7th period, and Percussion make up during Advisory.

Yoga Club will not be meeting tomorrow, March 21st.

Here are some important Agent of Change announcements:

This message is going out to all those who **love animals** and want to make an already strong force against animal mistreatment even stronger. The **BVSPCA and All4Paws** are looking for supplies to help their shelters. You have a chance help animals in need and these animals can't help themselves. From March 13th to March 24th, we are holding a fundraiser to raise items for the BVSPCA and All4Paws Rescue. We are looking for **old blankets and towels, dog beds, pet toys, office supplies, and wet and dry unopened pet food.**

There will be boxes put in the Library, so when bring in your items, bring them to the Library, and for every one item you donate, you will get **one raffle ticket**. At the end of the two weeks, we will pick three raffle tickets: the first one picked will get a 10\$ iTunes gift card; the second will get a free lunch from the cafeteria; the third will get a coupon for the school store. Also, the team who brings in the most items will get a popsicle party.

Our goal is to raise only 1000 items, that's less than one item per person. Check with your parents to see if there is anything that you can donate to help our furry, four-legged friends. This is a chance to do a little something and make a big difference. With each and every item you bring in, you helping to unite a loving animal with a loving owner. Thank you for your help!

Here is today's fun fact from Mrs. Brook's Environmental Agent of Change Group: If the entire world lived like the average American, we'd need 5 planets to provide enough resources (Source: Web Ecoist).

This week's spirit wear theme is...dress like Mom or Dad!

Now it's time for the Pledge.

Don't forget to bring in any extra 500 to 1000 piece puzzles and word finds for the seniors at Ashbridge Manor. We have bins at the third floor staircase, main floor by the office and at the base of the main stairs on the first floor.

During lunch, please put any leftover carrots or uneaten apples in the boxes located near the trash cans on both sides of the lunchroom for the Ryerss Farm horses. The horses also like mints and candy canes!

Here is today's fun fact from Mrs. Brook's Environmental Agent of Change Group: 4. The human population on Earth has grown more in the last 50 years than it did in the previous 4 million years. (Source: Web Ecoist)
