Thanks go out to all the students who updated the iOS on their iPads last week. We reduced the number from 900 to 191.

This should eliminate the problem we are experiencing with apps constantly updating. **If you are one of the students who did NOT update please do it this week either during homeroom or at home.** Just make sure that your iPad is plugged in when you update if the charge is under 50%.

Look for the fourth book written by an anonymous narwhal. It will be posted on Schoology very soon by Mr. Birkhead.
