Here are some important Agent of Change announcements:

This message is going out to all those who **love animals** and want to make an already strong force against animal mistreatment even stronger. The **BVSPCA and All4Paws** are looking for supplies to help their shelters. You have a chance help animals in need and these animals can't help themselves. From March 13<sup>th</sup> to March 24<sup>th</sup>, we are holding a fundraiser to raise items for the BVSPCA and All4Paws Rescue. We are looking for **old blankets and towels, dog beds, pet toys, office supplies, and wet and dry unopened pet food.**

There will be boxes put in the Library, so when bring in your items, bring them to the Library, and for every one item you donate, you will get **one raffle ticket**. At the end of the two weeks, we will pick three raffle tickets: the first one picked will get a 10\$ iTunes gift card; the second will get a free lunch from the cafeteria; the third will get a coupon for the school store. Also, the team who brings in the most items will get a popsicle party.

Our goal is to raise only 1000 items, that's less than one item per person. Check with your parents to see if there is anything that you can donate to help our furry, four-legged friends. This is a chance to do a little something and make a big difference. With each and every item you bring in, you helping to unite a loving animal with a loving owner. Thank you for your help!

Here is today's fun fact from Mrs. Brook's Environmental Agent of Change Group: If the entire world lived like the average American, we'd need 5 planets to provide enough resources (Source: Web Ecoist).

This week's spirit wear theme is...dress like Mom or Dad!

**Now it's time for the Pledge.**
