

# MEET THE AUTHOR

“A refreshing, practical book for parents who want to raise resilient kids but aren’t sure how to start.”

Amanda Ripley

*The Smartest Kids in the World*

“I cannot begin to overstate how powerful and timely her message was for our community. Since her talk, dozens of parents have approached me noting that Jessica was the “best speaker the school has ever had,” or “is there a way we could have her speak on an annual basis?”

John Boyer, Oak Hill School

“It’s hard to overstate the importance of this book.”

Susan Cain, *Quiet*

“You guys don’t help me since you went to that stupid talk.”

David Saibel’s 8 year old,  
California
