Creativity, Activity and Service (CAS) Updates

Senior CAS/Graduation Project Spotlight:

Lauren Largoza is volunteering at Bryn Mawr Rehab Hospital to help prepare for their Art Ability exhibition and sale. This is an annual event to create a community of awareness for people with disabilities, and encourage them to reach beyond their limitations and find fulfillment through art. To help prepare for this event, she is involved in a multitude of administrative tasks such as justifying artwork for the exhibit and graphic designs for social media posts.

Class of 2023 [Seniors]:

With two CAS Interviews done (#2 was due 10/31), the last required interview will take place one on one in the Spring to finalize each experience. Students are required to have all 3 for a complete portfolio.

Class of 2024 [Juniors]:

It is great to see so many Juniors getting started with CAS in ManageBac, and a few have submitted CAS Project Proposals already! Students only complete one CAS Project that spans at least one month, but may complete as many Creativity, Activity, or Service experiences as they like.

Extended Essay (EE)

Class of 2023 [Seniors]:

EE Rough Drafts were due to ManageBac and Turnitin by November 1, so students have a good basis for meeting with their Advisor and fine-tuning their work for their final paper.

RPPF #2 is due in ManageBac (Planning and Progress tab) by November 30.

Class of 2024 [Juniors]:

Students should have started thinking about EE topics, and we will be meeting during Advisory on 11/7 to go into more detail about the EE.

Covering the Gap: Pieces of the puzzle to help pay your education bill 11/15 Tuesday 6:30pm and 11/22 Tuesday Noon

Understanding education balances can be confusing and whether you're trying to address the costs or beginning to plan for higher education, this review is for you. Join PHEAA representatives Linda Pacewicz and Daniel Wray for a 1 hour webinar that will emphasize best practices (such as seeking grants and scholarships first), remind families about additional resources (such as payment plans), and review private/alternative loans as a last resort in the process of covering the Gap and keeping balances affordable. The discussion will also include the basics of credit, what factors impact a credit score, how can a credit score be improved and the effects on your borrowing capability.

Understanding the Offer Letter and Covering the Balances 11/3/22 Thursday Noon and 11/17/22 Thursday 6:30pm

The Offer Letter, or Financing Plans, that you receive to provide an idea of the costs associated with attending post secondary education can be confusing as each school formats their information differently. PHEAA, represented by Linda Pacewicz and Daniel Wray of PA Forward, will assist you, in this 1 hour webinar, in understanding and navigating through the types of Aid that are listed, what you are being offered and identifying the balances and next steps needed so you can make knowledgeable and affordable decisions. Q&A interaction is encouraged.

DECA Student Project: Voices to Voices Collaborates with Kinetic Physical Therapy

It started with a phone call. Sophomores Sid Iyer, Sahil Reddy and Vikram Davey are developing a program through DECA called "Voices To Voices", an idea aimed at teaching students in middle school presentation skills. Sheri Gardner, Director of Advancement at Kinetic Physical Therapy, received a phone call from Sid regarding company support of their project, and she was amazed at professionalism. So much so, that Kinetic Physical Therapy awarded the team \$100 donation to support this project. Says Ms. Gardner, "In working with thousands of students and schools in the tri-county area and Philadelphia, I see all students as gifted with many talents. Siddharth stands out. His initial phone call was so moving that I invited him to attend an Exton Chamber of Commerce meeting so he could experience being a part of a unique business atmosphere that supports students with a love for business and entrepreneurship. He will have the opportunity to introduce himself and share his mission with his DECA project." Thanks goes out to Dr. Staub, DECA Advisor.

From the Music Parents' Association:

Many have been asking how to get my club, class, students, etc in the yearbook. The easiest way for students, parents and teacher to share pictures with our yearbook team is submit them via eshare. Here you can upload pictures, write the captions and tag students, making it MUCH easier for our staff to get them in the yearbook. Please share the following link with your clubs leaders and use it yourself to submit pictures and stories. We cannot guarantee we will be able to use them all but we will do our very best!
