It is that time of year when Rising Seniors will begin to think about Senior Portraits. These pictures will be used for the STEM Academy yearbook. Lifetouch will provide a free sitting which includes a formal yearbook picture (in tux/drape), cap and gown picture, as well as an outfit change.

Students are encouraged to bring a change of clothing of their choosing, or if they are in sports or band, their sporting gear or band uniform/jacket. The more changes of clothing or props, the more options families will have to choose from.

Proofs will be sent to all families photographed, and on-line access will also be provided to review images and make purchases.

Pictures will be taken on the following dates:

*July 19th through July 22nd between the hours of 9:00 am and 3:00 pm in the STEM Gymnasium.* Additional make up portrait sessions will be available on 9/8 and 10/25 between the hours of 3:00-9:00 pm in the STEM Gymnasium.

Families will be receiving an appointment card in the mail with their *UNIQUE ID* number. Students should follow the directions on the card and proceed to visit the following website to "self-schedule" their appointment using the *UNIQUE ID*:

https://prestigeportraits.com

To help with the "No-Touch" policy, Lifetouch is asking that sitting fee payments be made online if possible, but will also accept payments on site as well. If there are any questions, families can reach out to the Lifetouch Customer Care line at 410-644-7700.

Please do not hesitate to reach out with any questions you may have.
