TO: Students & Parents of the Class of 2022

FROM: STEM Academy Counseling Department

SUBJECT: SAT Prep Courses

The Downingtown STEM Academy will be offering courses to assist students with preparation for the upcoming Scholastic Aptitude Test (SAT). College bound juniors typically take the SAT in the spring of the junior year and repeat the exam in the fall of the senior year if necessary.

Test Information: SAT test dates for this spring are March 13th and May 8th at the Downingtown West Campus. Students should register for the SAT online at www.collegeboard.org and should use school code 391-036 to indicate they attend the STEM Academy. The West Campus test center code is 39228.

SAT Prep Class Information: All classes will be offered virtually for six weeks with dates and times listed below. The registration fee is $60.00 per course and $120 for two courses. An SAT practice book is included in the price of the course. It is not possible to attend both a Math and a Verbal class during the same time slot on a single day; choose one Math class and one Verbal class per time slot.

Please use the SAT Registration Google Form to register for SAT Prep Classes. You will be notified via email when your registration fee is available to pay on PaySchoolsCentral. All registration fees must be paid on PaySchoolsCentral prior to the first class session and in order to receive the required textbook. Class size is limited so EARLY registration is recommended. Please submit the registration form by December 18, 2020.

Questions regarding the course can be directed to Mrs. McGavin-Wiedlich in the Counseling Department via email at kmcgavin-wiedlich@dasd.org or by contacting the office directly at 610-269-2420.
