

Winter Classes & Workshops

The Chester County Art Association is your local non-profit Art Center. We offer a variety of art classes and workshops throughout the year for ages 5 and up. Register through the link or over the phone at 610-696-5600. The following are a sampling of our upcoming Fall classes and special workshops that still have space available. We offer classes and workshops at both our West Chester location and our Exton Square Studio Gallery inside the Exton Mall.

We hope to create with you soon!
