Good afternoon Bradford Heights,

Back in September, I had shared with students and families that we would be focusing on BH P.R.I.D.E. this year. P.R.I.D.E. stands for **P**ersonal **R**esponsibility **I**n **D**aily **E**ffort. It means doing your part to take care of yourself, each other, and our school. We will be focusing on that more deeply this coming week and also in December and I would love your help reinforcing that at home. If you can commend your student/s when they are showing BH P.R.I.D.E., such as making sure they have their iPad, headphones, and water bottle for school, or that they are attending classes on time if they are home, that would be great. Any help you can provide would be fantastic.

Earlier this week I shared a message from our HSA asking you to register for Membership Toolkit. This is the online school directory that we will be using from this point forward. There is bit more information about Membership Toolkit if you scroll below to the HSA section. I will also be sending a message later this week with more specific directions.

Finally, if you have not yet signed up for a parent-teacher conference and you want to, please do so by Thursday of this week. Directions for how to sign up are after the HSA section below.

Have a great week!

Your Proud Principal,

Mrs. Shipe

### **HSA Announcements/Events**

**Please sign up & register (for free)** for our new website and school directory! HSA will be using this as a primary source of information, signup & payment processing. at [bradfordheightshsa.membershiptoolkit.com](http://bradfordheightshsa.membershiptoolkit.com)

Due to the transition of starting Hybrid learning we have postponed our partnership with Boosterthon until later in winter. We will be sharing more information about the event as it becomes available. This will be our biggest fundraiser of the year and will be replacing most of the events that have had to be canceled or postponed due to Covid-19 restrictions.

No HSA meeting scheduled for December.
