Good afternoon BH family,

I am so excited to share with you that tomorrow is the one year anniversary of my arrival at BH! What a year!! I could not have asked for a better group with whom to experience this wild and crazy year. Bulldogs really take care of one another; I have seen it firsthand. Thank you for being such a wonderful and supportive school community.

On a completely different subject, I also want to let you know that we will be doing our Winter benchmark testing on Dec 7th and 8th for our in person students. We will have modified schedules those two days as a result. Students who are streaming from home or are cyber will have their benchmark testing on either Dec 11 or 18. I'll share the details in an update later this week.

Have a fantastic week, Bulldogs. See below for information from our HSA.

Your very Proud Principal,

Mrs. Shipe

In addition to being the school directory, the Membership Toolkit site is a single site for all things related to our BH Home and School. To be part of it, please register using the attached directions.

**Assist-A-Wish:** Each year, the Bradford Heights community comes together to support one another by working to ease some holiday-related stress. Assist-A-Wish is an event we host in December to collect and distribute holiday gifts and food to families in need. This year, due to a number of factors, we are doing Assist-A-Wish a little differently. If you are interested in supporting a BH family this holiday season, please visit our [Membership Toolkit site](#) OR take a peek at the attached flyer.
