Good afternoon Bradford Heights:

Earlier this week I contacted you with the new [COVID-19 Information for Travelers](#) that was created by the Pennsylvania Department of Health on Nov 25. Included in the new information was the change that only travelers over the age of 11 need a negative COVID-19 test or quarantine for 14 days in order to return to school. In order to protect the health and safety of our entire school community, if you travel outside of the Commonwealth of Pennsylvania for more than 24 hours, we request that you do quarantine your child for 14 days or seek a negative COVID-19 test regardless of your child's age.

Also related to Covid, it was decided at a recent board meeting that schools in the district would close on an as needed basis but that the timing would be rather tight on those decisions. If you have not already done so, please start thinking about a "plan B" for your student/s in case we need to close. I am optimistic that we will not be in that situation, but it is better to be prepared.

In addition, I have two reminders for this week:

- Monday and Tuesday (Dec 7 & 8) are in person benchmark testing days. Cyber and students who streaming from home each day are asked to sign up for an in person time slot for the assessment:
  - Grades K and 1: <https://www.signupgenius.com/go/10C094CA5A623A3FE3-bhaimsweb>
  - Grades 2 through 5: <https://www.signupgenius.com/go/10C094CA5A623A3FE3-bh2nd>
- Wednesday (Dec 9) is not an early dismissal day. The early dismissal was moved to Friday as part of the revised calendar found [here](#).

Thank you for all that you do to make BH a fantastic place to work.

Take care,

Mrs. Shipe
