Happy almost Valentine's Day Bradford Heights!!

It has been a cold and snowy few weeks! Even with all the snow, our Bulldogs have been working hard every day. I have gotten to see students present research on Black figures for Black History Month, listen to them read to me and to each other, and observe them persevering through tricky math problems. They have also been doing community service! 5th graders brought in 613 items to donate to the Lord's Pantry for the annual SOUPER Bowl Collection. To all of our parents and teachers, we could not be where we are without your continued flexibility and support for our entire school community - thank you!

I also want to say that it has been nice having the Booster videos each day; they are really cute. It has been nice participating in something as a building community; I can't wait until Friday's Dance Fit event!

Upcoming calendar events:

- No school on Monday, February 15.
- Dance Fit event is on Friday, February 19.
- Picture Days are March 8 and 9 (more details coming soon).

Your Proud Principal,
Mrs. Shipe
