Dear STEM Academy Parents & Guardians,

We are happy to announce that term (MP) two report cards will be ready to be viewed, downloaded or printed via the new Infinite Campus Backpack on Tuesday, February 4. Backpack is your one-stop shop for important parent communications. The directions below will help you access your child's report card via Backpack.

Go to <https://www.dasd.org/parentportal> to access the parent portal. At the login page, enter your Parent Username (usually your first initial and a period and your last name – example - J. Doe). Then enter your password. If you do not know your password, click on the Forgot Password link and you will get an email helping you to reset your password. If you do not know your username, click on Forgot Username. You will be asked to enter the email account associated with your account in Infinite Campus. It will be the same email account from which you receive email from the school. You will then receive an email with your username. If needed, use the Forgot Password link to reset your password.

**Backpack can be accessed via the Infinite Campus Parent Portal by clicking "More" and then "Backpack." Please see the screen shots below.**

**Once selected, the Backpack link will be presented in a new browser tab or window, depending on your browser settings. All published documents associated with your student will be visible. Click on the icon below View to see the document.**
