

Uwchlan Hills (Giering)

MLK Day of Service

The UH community spent a great day working together to celebrate the life of Dr. Martin Luther King, Jr. Volunteers gathered and sorted an incredible 2200 lbs of donated food, in addition to a truckload of clothing, toys, toiletries, and pet items. Artwork and letters of hope and encouragement were also included. Items were distributed to homeless shelters, shelters for families of domestic violence, seniors, food banks, animal shelters, and military serving overseas. It was an amazing day of service and giving back.

Science Fair

The Science Fair was an absolute success. Every student presented a captivating project that covered many fields of science. The projects ranged from freezing oceans, tracking stars, and even baking milk. Congratulations to all of the participants!

This Year's winners were as follows:

Group: 1st: Max Yoder, Christopher Valora, Lila Yoder

Kindergarten: 1st - Maggie Barnello, 2nd - Jake Dragish, 3rd - Hannah Slevinsky, Out Of This World Award - Yuvaan Bhangaonkar
