

Uwchlan Hills (Giering)

Kindness Week

Students from 5th grade and 2nd grade teamed up to collect items and made thank you cards for local police officers to thank them for their service. It was a great way to kick off Kindness Week in DASD!

Visit from STEM Students

Students from STEM visited UH during Kindness Week. They read books about kindness and had discussions with 3rd and 4th grade students about the importance of being kind. It was a great experience for all!
