

2021-2022 School Year

Hello Families,

We are delighted to welcome your child to 4th grade! We hope you are sharing an enjoyable summer together! To help prepare for the upcoming school year, please purchase the following items to bring in on the first day. Be sure your child's name is on everything since students do not have desks of their own this year.

- ✓ Homework Folder - We suggest a sturdy folder of any color
- ✓ Pocket Folders - 1 Blue, 1 Green, 1 Yellow, 1 Red (3 holes pre-punched if using a binder)
- ✓ One 3-Ring Binder or an accordion folder
- ✓ Earbuds for ipad use—store in a baggie with child's name clearly written
- ✓ Stylus for ipad use
- ✓ Pencils - Mechanical pencils are allowed, but students often run out of leads. Please make sure that your child has pencils in the classroom throughout the year.
- ✓ Colored Pencils - 12 pack
- ✓ Crayons - box of 24
- ✓ Zippered Pencil Pouch - store everything here; we move around a lot
- ✓ 2 Composition Books
- ✓ 1 Spiral Notebook - Single subject is fine
- ✓ Glue Sticks
- ✓ Scissors -Blunt child scissors are best
- ✓ An Independent Reading Book - Something your child can't put down and can't wait to dive into again.

Sincerely,

Fourth Grade Teachers
